PRINCE2® Practitioner Certification

PRINCE2® (Projects IN Controlled Environments) is a practical, process-based methodology which lays out step-by-step guidance for project management, and defines clear processes, steps and templates in the fields of portfolio, programme, project and service management. The two levels of qualification that is the PRINCE2® Foundation and PRINCE2® Practitioner are a reflection of the holder's ability to bring in the benefits of the PRINCE2 methodology in projects and subsequently the business.PanelcsCourses has been assessed after rigorous evaluation and is an Accredited Training Organization (ATO) of PEOPLECERT, and a Certified Partner of Axelos. Our training will give you the confidence to aim for a first time pass of the Practitioner exam, gain the title of PRINCE2 Practitioner and apply PRINCE2 best practices across all levels of the organization effectively and successfully.
